☞ # Munson Font ☜

for an extravaganza of Victorian *style* Printing

Inspired by the Consort typeface of 1815 by the Stephenson Blake Company of Sheffield and the Clarendon typeface of 1845 by the Fann Street Foundry of London.

The italic form was designed to resemble the equation italics of Mathematics text books of the late 1800's.

The Munson font has regular, *italic,* **bold** and ***bold-italic*** styles.

The Munson font comes with several Open Type features like SMALL CAPS, old style numbers, ordinals and localisation for several European languages.

The Munson font is free for both commercial and non-commercial use.
